

Emotions - How do you feel?

At KingKids we feel it is so important for the children to understand and express their emotions. Recently we have been focusing on emotions throughout the centre and would love for this to be followed through at home.

What you need?

- Scissors (to be used safely and with parent assistance)
- Magazines, or printed eyes, mouth, nose, ears, etc.
- Glue stick

Steps:

1. Cut out the need facial expressions and glue them onto the paper. The children can use this to expressive how they are feeling!
