

## Helping Our Little Ones Through COVID-19

We understand that this can be a very stressful time for everyone especially for our little ones! We want to do everything we can to help them understand what is going on around them. Below is a useful and free link and some of the stories we find especially helpful.

<https://www.autismlittlelearners.com/2020/07/covid-19-related-stories-for-schools.html>

Here are two books we suggest to use:

- CoronaVirus, What Is It?
- Who should wear a mask?
