

Graduation Song practice

Your child may like to practise our graduation songs during this time. Some parts of this event will remain a lovely surprise, however we thought we would send through the YouTube links for the songs, so that our Dingo children can entertain you while they are at home!

Inanay

We are following the actions in the video, and some of the children will be playing tapping sticks that we decorated earlier in the year.

Home Among the Gum Trees

<https://youtu.be/MLWzPQmd5sc>

Simple heel-toe actions during the verses, then the well-known actions for the verses.

One Small Voice

<https://youtu.be/1GBi79RbbCM>

We are learning these sign language moves, as shown on the video. The children LOVE this song!

VEYLDF Outcomes:

Outcome 1 – Identity: Children have a strong sense of identity

Outcome 2 – Community: Children are connected with and contribute to their world.

Outcome 5 – Communication: Children are effective communicators.
