

Take Homework sheet over 3's

The Gumtree children have been exploring space and the universe.
Here is an activity about space you can do at home.

Toilet paper roll rocket ship:

- You will need an old toilet paper roll or paper towel roll.
- A pair of scissors.
- Glue.
- Paper.
- Some decorative things such as glitter.
- Pencils and texters.

Steps:

- Colour in your toilet paper roll or make it decorative using glitter or cut up pieces of paper.
- Cut out a triangle from a piece of paper and glue it to the top of your roll.
- Cut some strips of paper either red or yellow or colour them in and attach them to the bottom of the roll using glue.
- There you have it a rocket!
